Point, United States, 2014. Hardback. Book Condition: New. 212 x 146 mm. Language: English . Brand New Book. A deliciously charming novel about finding true love . . . and yourself. Nothing ever happens in Little, CA. Which is just the way Carter Moon likes it. But when Hollywood arrives to film a movie starring former child star turned PR mess Adam Jakes, everything changes. Carter s town becomes a giant glittery set and, much to her annoyance, everyone is starry-eyed for Adam. Carter seems to be the only girl not falling all over herself to get a glimpse of him. Which apparently makes her perfect for the secret offer of a lifetime: playing the role of Adam s girlfriend while he s in town, to improve his public image, in exchange for a hefty paycheck. Her family really needs the money and so Carters agrees. But it turns out Adam isn t at all who she thought he was. As they grow closer, their relationship walks a blurry line between what s real and what s fake, and Carter must open her eyes to the scariest of unexplored worlds - her future. Can Carter figure out what she wants out of life AND get the guy? Or are there no Hollywood endings in real life?.
