

## Midnight Meanders

By Annika Jensen

John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, *Midnight Meanders*, Annika Jensen, William Spencer is troubled not only by stereotypical teen angst, but by an invisible disease that seems to be picking his mind apart day by day, leaving him with an unyielding hollow emptiness. His strange, yet somewhat effective method of coping involves many late-night walks around his sleepy neighborhood, armed with a pen in his hand and a poem in his mind. *Midnight Meanders* seeks to reveal the true actions of the teenage mind, not just regurgitate assumptions made by adults. It passes through the stages of anxiety and angst; of pessimism and encouragement; most of all, of discovery. As William journeys through his own mind, revelations are made, relationships are broken and restored, and a faith that once seemed extinct is rediscovered and renewed.
