Checkpoint Press, Ireland, 2010. Paperback. Book Condition: New. 216 x 140 mm. Language: English Brand New Book ***** Print on Demand *****.This collection of poems is ideal for the primary classroom as it covers seasonal topics such as Harvest, Halloween, Guy Fawkes Night, Christmas, Pancake Day, Easter and many others. There are also poems about the weather and about a variety of creatures which could be used to support the curriculum. Most of them have already been enjoyed by Eleanor McLeod's discerning young pupils. Using poems such as these as a starting point for learning can be fun and informative. Eleanor McLeod is from Swansea, Wales and it was when she began her Primary School teaching career in 1966 that she started writing poems for her pupils. When she decided to change direction and become a professional actress she continued to write poems, stories and dramatic monologues. In 1984 after the birth of her son, she returned to the classroom where all the old favourites and many new ones were tried and enjoyed once again. As a teacher of the LAMDA Speech and Drama syllabus and a member of the LAMDA Examining board and a adjudicator for the British and International Federation of Festivals she realises how welcome and useful a collection of poems like this will be to teachers and performers.
