Sage Publications Ltd, United Kingdom, 2004. Hardback. Book Condition: New. New.. 242 x 170 mm. Language: English . Brand New Book. Education policy is now a global matter and all the more complex for that. Mark Olssen, John Codd and Ann-Marie O'Neill do us an invaluable service in producing a carefully theorised guide to current issues and key concerns - this is an important, erudite and very practical book - Stephen J Ball, Education Policy Research Unit, University of London. Given the global reach of neoliberal policies, we need cogent books that enable us to better understand the major effects such tendencies have. Education Policy is such a book. It is insightful and well written - and should be read by all of us who care deeply about what is happening in education in international contexts - Michael W Apple, Author of Educating the Right Way and John Bascom Professor of Education University of Wisconsin, Madison. I really am taken with the book, the range and depth of analysis are truly impressive. This book is a magnum opus and everyone in the area should read it - Hugh Lauder, University of Bath. In their insightful and comprehensive book on education policy Mark Olssen, John Codd and Anne-Marie O'Neill wrestle with the big questions of citizenship and democracy in an age of globalization. They argue that education policy in the 21st century is the key to security, sustainability and survival. The book, anchored in the poststructuralist perspective of Michel Foucault, traverses the whole territory of education policy not only methods and approaches of policy analysis and the dominant political perspectives that influence policy - classical liberalism, social democracy and neo-liberalism - but also those policy areas that require the closest scrutiny: markets, trust, professionalism, choice, diversity, and finally, community,...
