A MARITIME APPROACH TO COUNTERING HORN OF AFRICA PIRACY

Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Piracy in the waters off of Somalia has become a multimillion dollar venture for modern day pirates because vessel ownership groups continue to pay ransoms. The seizing of cargo ships and ransom demands have harmful economic impacts to companies and countries and affects global trade. Despite significant multinational counter-piracy efforts merchant vessels continue to be pirated regularly. Piracy...

Reviews

It is one of the best publications. Sure, it is playful, continue to an interesting and amazing literature. You will not really feel monotony at whenever you want of your time (that's what catalogues are for about in the event you question me).
