Wipf Stock Publishers, United States, 2012. Paperback. Book Condition: New. 228 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Description: How important is childhood in the spiritual formation of a person? How do children experience God in the context of their lives as they grow? What does God do in the lives of children to draw them to himself and help them grow into a vital relationship with him? How can adults who care about children better support their spiritual growth and direct it toward relationship with God through Jesus Christ? These are critical questions that church leaders face as they consider how best to nurture the faith of the children God brings into our lives. In this book, over two dozen Christian scholars and ministry leaders explore important issues about the spiritual life of children and ways parents, church leaders, and others who care about children can promote their spiritual formation. Endorsements: An excellent resource for students and all who desire to continue growing in their understanding of children and their Christian formation. Authors from varied Christian traditions provide insights from theology, history, the social sciences, and research. They address pressing issues and suggest important practices for ministries with children today. Those interested in research with children will find interesting examples of research design. --Dr. Catherine Stonehouse Emeritus Dean of the School of Practical Theology, Orlean Bullard Beeson Professor of Christian Discipleship, Asbury Theological Seminary This impressive . . . collection draws together twenty-nine contributors from very diverse backgrounds to address theology and research, but also children's spirituality in the contexts of family, church, and community. Lawson has integrated this complexity with grace. Understanding will join the first two volumes in this important series on the shelves of the Center for the Theology...
