Outskirts Press, United States, 2008. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This book is me sharing my heart, mind, and soul. Enjoy! For as far back as I can remember, I've written these words with no intention to share them with anyone until now. These are my most sincere thoughts bottled and wrapped up into poetic expression. These poems are a compilation of life experiences that are transformed into a lyrical collage that serves to inspire, stimulate, and entertain all who wish to read. In this collection of poetry I confront issues of child abuse, domestic violence, drug addiction, family, love, rape, race, and so much more. This book covers a vast array of human experiences so that everyone that comes in contact with this book can relate to something that I've written. New Lover I found a new love A love that touches my soul A love that knows the ends and outs of me I found a noun that went deep inside of me I found a lover that kissed my walls and broke them down I found a love that made me cry I found ecstasy, drama, comedy and honesty I found intensity and strength I found poetry and the emotions inside of me Now no longer just inside of me But Out in the open for the world to see.
