Glorian Publishing, United States, 2010. Paperback. Book Condition: New. 226 x 175 mm. Language: English . Brand New Book. Thousands of years ago, the angel Metatron gave to humanity the Tarot and the Hebrew letters, which were preserved among the highest secrets of the mystical traditions, and were completely unknown to the public. Unfortunately, some cunning people stole and modified a portion of the protected teachings, and over the centuries that stolen knowledge passed through Egypt, Arabia, and finally into Europe, eventually becoming what we popularly refer to as the Tarot: a deck of cards marked by seemingly obscure images and symbols. Over the centuries, it degenerated. It was re-arranged, misinterpreted, misused. In spite of our troubled history, the real Tarot continues to exist, and has never changed, since the real Tarot was not made by humanity, but has always existed in the superior worlds. Now, in this book, you can learn about the eternal Tarot. Metatron gave the Tarot and the Hebrew letters to humanity so that we, who are so confused and blinded by our psychological state, could have some way of acquiring reliable information. The Tarot is an ancient, sacred method of acquiring information for spiritual insight. Kabbalah is the science of numbers, and reveals the structures of everything that exists. By knowing Kabbalah, one also knows the way out of suffering. Together, Tarot and Kabbalah empower, energize, and clarify your spiritual life. Instead of wandering in guesses, beliefs, and assumptions, one can know for oneself, with certainty. Packed with practical exercises, including meditation, astral projection, numerology, and divination Includes detailed explanations of all 78 Tarot cards and how they relate to Kabbalah Utilizes examples from all of the world's great religions.
