## HIDDEN HISTORY OF THE WISCONSIN DELLS AREA

History Press (SC), United States, 2010. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. The history of the Wisconsin Dells area is as unique as its glacier-sculpted landscape. It has been a gathering place for tribal councils, a vacation spot for enthralled tourists and a stopping point for the raftsmen who might have had a little too much of the Devil s Eyewater brewed by pioneer Robert Allen. Local expert Ross M. Curry has been chronicling the region, from Baraboo to Lyndon, for almost sixty years. Join him for those chapters of the area s story that he himself has witnessed, and then follow him as he hikes back to a time before the Kilbourn Dam, when towns were lit by gaslight, justice might be enforced by duels or necktie parties and hardships had to be outlasted by tightknit families with unshakable faith and their own butter churns.
