

Powering Up: Learning to Teach Well with Technology

By Eileen M. Coppola

Teachers' College Press. Paperback. Book Condition: new. BRAND NEW, Powering Up: Learning to Teach Well with Technology, Eileen M. Coppola, Despite many powerful visions of how technology can improve teaching and learning, the use of computers in schools continues to be limited. This in-depth study of a computer-using school analyzes the relationships among teachers' knowledge, their ongoing learning, school organizational culture, and policy to understand how the school developed high-quality use of computers. The author traces the experiences of five teachers in a large secondary school who have all used technology to augment core elements of their teaching, with particular attention to the use of computers for constructivist teaching.
