Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: French . Brand New Book ***** Print on Demand *****.Young Cool Kids Learn French has been carefully written with 5 - 7 year olds in mind by a qualified and experienced foreign languages teacher. The focus of this book is to introduce only a few words at a time, then practice these words in a fun way so as to embed these words in the child s learning. The fun activities for practicing French include matching words to pictures by drawing a line, circling the correct word and copying or writing just a few words per page. The book is full of French words and lovely images for these words that the children can simply colour as they look at the French words. The topics in this book include numbers, the teddy bear s picnic, greetings essential words, toys, colours, a trip to the beach and zoo animals. At the back of the book is a useful French-English word list and also the answer section. Learning a foreign language at an early age can be an enjoyable and useful experience, and this book would be a great way for any child to learn French.
