## Understanding Perversion in Clinical Practice: Structure and Strategy in the Psyche

By Fiona M. Ross

Karnac Books. Paperback. Book Condition: new. BRAND NEW, Understanding Perversion in Clinical Practice: Structure and Strategy in the Psyche, Fiona M. Ross, Understanding Perversion in Clinical Practice is a volume in the eagerly anticipated clinical practice monograph series from the Society of Analytical Psychology. Aimed primarily at trainees on the psychotherapy and psychodynamic counselling courses, those compact editions will be invaluable to all who wish to learn the basics of major psychoanalytic theories from an integrated viewpoint. The authors are Jungian analysts trained at the SAP, highly experienced in both theory and practice. Perversion is a concept that defies simplistic classification. This monograph provides a comprehensive study of the nature of perversion and the therapeutic relationship needed for treatment. Case studies are used throughout to illustrate aspects of perversion and notable psychoanalytic theories are detailed for greater understanding of what perversion is and how it can be treated. Female perversion is explored in a separate chapter as the symptoms and underlying reasons are quite different from those in male perversion. This is a helpful and succinct exploration of perversion in its numerous manifestations that provides a firm foundation in the subject.
