Authority Publishing. Paperback. Book Condition: New. Paperback. 206 pages. Cut the Crap, Get a Job! A New Job Search Process for a New Era is a revolutionary job search book that takes an insightful approach to help everyone from college graduates to senior executives make their next career moves in the 21st century. You'll learn an effective approach to the latest employment practices and brand new, proprietary techniques for career development. In addition, you will get access to free downloadable tools to manage your personal job search. What's unique and powerful about Cut the Crap, Get a Job? It's simple: it breaks the end-to-end job search into bite-sized pieces, including solutions, tricks, and homework assignments to coach you through every step. It's written from the perspective of a veteran hiring manager with experience in Fortune 500 corporations as well as fast-growing start-ups. It provides all the technology-based tools you need to go from starting your search to winning the job. It challenges tired, old practices and teaches innovative techniques that will show you what it takes to stand out as the best candidate being interviewed. If you're ready to set serious and make your next career move, don't wait another moment—read this book today! Dana Manciangli has been a corporate executive for more than 30 years and has leveraged her employee hiring and management experience into that of author, blogger, keynote speaker, career coach and career expert. Dana has had a remarkable career in global sales and marketing roles in Fortune 500 corporations (Microsoft, Kodak, IBM and more). As a result of coaching, interviewing and hiring thousands of job seekers, she has developed a proprietary job search and networking process. Her ideas and techniques are seen to be as effective for college graduates as for senior executives. She was named...
