

## American Foreign Policy in the Third World Countries

By Irina Wolf

GRIN Verlag Jul 2009, 2009. Taschenbuch. Book Condition: Neu. 210x148x1 mm. This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2005 in the subject Politics - International Politics - Region: USA, grade: A, American University of Central Asia, language: English, abstract: This research focuses on the United States' foreign policy in the Third World (meaning here not industrialized, mainly poor countries) and its use of words (international law and diplomacy) and deeds (coercive diplomacy and military intervention). The numerous historical examples reveal the treacherous nature of American Foreign Policy, because the USA prefers the law of force rather than the force of law for the sake of its own interests. The examples of the invasion of Grenada, Libya, and Nicaragua support the argument that the USA is ready to use force and go against international law to pursue its own national interest. Contrary to its claims of being the fighter for democracy and human rights in the world, America does protect it only when it is convenient to it and when it can somehow benefit from spending money on the liberation operations. However, it is vital to keep in mind that being...
