Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from An Introduction to the Flora of Natal and Zululand The following work has been written for the purpose of assisting the study of plant ecology and botanical survey work in Natal. The Handbook published by the late Dr. Medley Wood is now no longer up to date, and is also out of print, and his Revised List, with its supplements, is also incomplete, as well as difficult to procure. A general ecological account of the Natal vegetation, to a large extent compiled from my own previous writings, has been prepared, and it was intended that it should be included as part of the present work, but for various reasons it has been thought advisable to defer publication of this part of the manuscript. This has enabled the main section to be published in a more compact form. Ecological notes have been added in the case of the principal species to the records of distribution. Care has been taken to make the latter as complete and accurate as possible. Various Zulu names have also been included....
