

Long Waves of Capitalist Development: A Marxist Interpretation (2nd Revised edition)

Filesize: 6.05 MB

Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

(Dr. Kayden Gerlach)

Verso Books. Paperback. Book Condition: new. BRAND NEW, Long Waves of Capitalist Development: A Marxist Interpretation (2nd Revised edition), Ernest Mandel, In this revised and expanded edition of Long Waves of Capitalist Development, Ernest Mandel seeks to explain the underlying determinants of the booms and slumps of the trade cycle. Mandel first establishes that there have indeed been twenty- to twenty-five-year-long waves of capitalist expansion and contraction - and that these have persisted in the period since World War II. He then assembles evidence to show that while broad tendencies in the rate of profit have been decisive in triggering downturns, the ingredients necessary for a new upswing are, by contrast, generally political and extra-economic in character. He thereby demonstrates the falsity of neo-liberal doctrines, according to which the free market will itself generate a new formula for balanced and sustainable expansion. Long Waves of Capitalist Development not only offers a penetrating analysis of the ills that have afflicted contemporary capitalist economies but also surveys, and takes forward, one of the classical debates of modern economic history.
