Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.It is my pleasure to share with you the culmination of a very long project. Castor Pollux is a group of 9th grade students at Webster Schroeder High School in upstate New York who spent about six months researching the Hero's Journey pattern as outlined by mythologist Joseph Campbell. Using references to mythology, literature, television, and film, the students began to see how the Hero's Journey permeates not only our culture, but all cultures across time and geographic location. From there, the students explored how the pattern is part of the human condition and how it can be used as a tool to examine their own lives.
