WILD FLOWERS OF BRITAIN AND IRELAND

Paperback. Book Condition: New. Not Signed; The is the first fully-illustrated and fully-mapped guide to the British and Irish flora, covering more than 1900 species. Its restriction to the British Isles alone allows far more detail and more local information, and identification is made easier with the inclusion of maps for most species. Specific details about plants appearing in certain areas and accurate maps are designed to make location and identification easy, and this book also includes details of local...

Reviews

These kinds of book is the best publication accessible. I actually have study and i am certain that i am going to gonna study once more once more down the road. I am just happy to tell you that this is actually the finest publication i actually have study within my own existence and might be he best publication for possibly.
-- Miss Berenice Purdy III

A new e-book with a brand new point of view. I really could comprehended everything out of this written e publication. I realized this publication from my dad and i encouraged this publication to understand.
-- Ashlee Gulgowski
