Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. You've written a book. Now what? Learn how to launch your book so that it reaches bestseller status. Are you an author who is overwhelmed by the prospect of self-publishing your book? Have you already published a book or two on Amazon, and were disappointed with lackluster sales despite all your hard work? Are you trying to decide between traditional versus self-publishing, and whether you really have the time to do it yourself? If you answered yes to any of these questions, then this book is for you. The path to successfully self-publish your books isn't that complicated—but it can be overwhelming. There's a sea of advice out there about how to write, self-publish, and sell online books. As a seasoned project manager, I know how to plan, execute, and get you to the all-important end result—successfully launching your book. This book breaks down the process of self-publishing and launching—so you can make it happen in as little as 30 days by following my book launch plan. It...
