The Secret Wish List is a riveting story about the protagonist Diksha, who at the tender age of 16 lives the life of a typical carefree teenager. She juggles school work and fun, amidst schoolgirl crushes on boys including Ankit, and gossip and girl talk with her best friend. However, one day, an innocent crush explodes into a chain of irreversible events that result in changing her life forever. 18 years later, Diksha, the feisty, fun loving teenager, has been replaced by a very different version of her younger self.
