## THE MYTHS OF CHRISTIANITY

Outskirts Press, United States, 2006. Paperback. Book Condition: New. 216 x 140 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.All ungodliness in a Christian comes from love of self and/or love of the world. All humans are born to this ungodliness and it is a part of their heredity. Man's only escape from this bondage is by absolute surrender of their will to the will of Jesus Christ. How will they know Jesus and his will when they follow blind deceivers who claim to be on the right path? Personal study of God's Word and what Jesus would have them believe is the answer. Many Christians these days know scarcely anything about heaven or their eternal life. This is true in spite of the great evidence in God's Holy Word about these aspects of Christianity. Christianity must turn to separating the kernel from the husk and find the eternal valid truth in the midst of historical and transient views that are now operative as well as the hords of anti Church books recently in print such as The Davinci Code and Conversations With God books. Judgment is coming!.
