

## Reagan's Roots: The People and Places That Shaped His Character

By Peter Hannaford

Images from the Past, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Ronald Reagan is thought of as a Californian, a westerner, but the values that guided him all his life are straight out of the American heartland where he was born and spent the first twenty-one years of his life: northwestern Illinois. He was the product of four generations of rural settlers. The characteristics associated with him - self-reliance, self-confidence, modesty, optimism, loyalty, tolerance, determination, good humor, and reverence for God - all came from his teachers, clergy, role models, the circumstances of his youth, and especially his parents. Reagan's Roots traces the development of all these elements of his character so that the reader will come away with a better understanding of what made this man a successful and beloved president.

### Reviews

*This pdf is really gripping and intriguing. It was actually written very completely and beneficial. You won't really feel monotony at whenever you want of your time (that's what catalogues are for about in the event you request me).*

-- Ms. Gracie Nicolas

*A very awesome ebook with perfect and lucid information. It is really simplified but unexpected situations in the 50 % of your pdf. I am pleased to let you know that here is the greatest book I have studied inside my very own lifestyle and can be the greatest ebook for at any time.*

-- Noah Bruen
