The original information for this book was written in 1996. At that time there was a lot of discussion about the earth changes and the coming shift in spiritual consciousness. There were many people predicting all types of changes that would come in 2012 as the known calendars would come to a close. In the intervening there about the Harmonic convergence which took place 1987 and the upcoming Y2K at the turn of the century in 2000. I decided I would write a book about what was coming and what we could do about it. Well, we are reaching the date now that we are in 2011. What is going to happen At this point there has not been any major indicators other the minor changes such as the eartquakes, tornadoes, the floods and tidal waves which have happened. Some people may consider many of these major happenings. If you will view where this activity is happening we can see that this is happening in the areas where then new conscious is not taking place. Many people focused on California and the...
