Excerpt: . . . 11 ensure taxpayer data safety, we required each participating company to obtain both a privacy and security seal certification. These programs, administered by third party providers, certify that taxpayer re-turn information will be protected from unauthorized access during the tax prepara-tion process. We also encourage taxpayers to visit the companys privacy and secu-rity policy located on their commercial Web site. Indeed, taxpayer security and privacy are woven throughout the Free File process. Tax return preparation is accomplished using proprietary software approved by the IRS. Transmittal is through the established IRS e-file system. Alli-ance members must also comply with all Federal rules and regulations on taxpayer privacy for paying and free customers. These rules prohibit use of tax return data for purposes not specifically authorized by the taxpayer. Finally, the information taxpayers provide through the Free File Wizard will be used solely to help taxpayers select a free service; thereafter it will be deleted. The IRS only retains the officially-filed return information. Volunteers help prepare basic...
