CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 128 pages. Dimensions: 9.7in. x 7.4in. x 0.3in. There is a sort of fate about writing books of travel which it is impossible to escape. It is vain to declare that no inducement will bribe one to do it, that there is nothing new to tell, and that nobody wants to read the worn-out story: sooner or later the deed is done, and not till the book is safely shelved does peace descend upon the victim of this mysterious doom. The only way in which this affliction may be lightened to a long-suffering public is to make the work as cheerful and as short as possible. With this hope the undersigned bore has abstained from giving the dimensions of any church, the population of any city, or description of famous places, as far as in her lay; but confined herself to the personal haps and mishaps, adventures and experiences, of her wanderers. To explain the undue prominence given to Miss Lavinia, it should be stated that she is an old and intimate friend of the compiler of this frivolous work; and therefore her views on all subjects, though less valuable, were easier to obtain than those of the younger and more interesting shawl-strappists. This item ships from La Vergne, TN. Paperback.
